CPF-INDUSTRIAL

Koeweidestraat 31A
BE-1785 MERCHTEM
T +32 52 21 12 00
sn@cpf-industrial.com
www.cpf-industrial.com

Contact: **Simcha NYSSSEN**, Marketing & Export

CPF-Industrial developed a new technique for the industrial application of images and colours on board materials (MDF, plywood, veneer sheet, aluminium, forex, channel plate, plexiglass, re-board and panels for ceilings). An alternative to drywalls, cutting costs on stickering walls, no more sanding and painting necessary.

BE-9290 BERLARE
T +32 52 43 01 04
infochristoph@doorsolutions.be
www.doorsolutions.be

Contact: **Christoph BAETE**, CEO

Doorsolutions is specialized in producing and selling of internal doors with an additional functionality (fire-rated, acoustic, anti-burglar) and had therefore developed a very unique door concept. Using our innovative structural panel, we reach the highest European standards. This new development concerning our door concept has not previously existed and has a unique composition, even for acoustic hotelroomdoors.
